

## ECOLOGY COMMUNICATION & YOUTH

An ICZMP Initiative

February 25-27, 2013 | MICA Ahmedabad

**A** three day Seminar on Ecology, Communication and Youth is being organised by Gujarat Ecology Commission and MICA from February 25 – 27, 2013 . The seminar is an initiative to spread awareness about coastal zone management and to encourage young participants to take up the cause of environment communication under the banner of ICZM project, Gujarat.

Around 120 environment and communication scientists and researchers; Government and non-Government officials working in related field; environment activists; representatives of corporate sector and media professionals would participate in the seminar.

The seminar is expected to increase ecological awareness, create right attitude and enable sharing of knowledge.

To participate, contact us on 079-23257656/23257659  
or email [sajitha@geciczmp.com](mailto:sajitha@geciczmp.com)
